My Teacher, My Hero

by Collene U. Aquino, Grade VII, RCSHS

You are someone we hold dear
And whenever you are here
You always have a pleasant attitude
The reason why you have our gratitude.

You are kind, caring, and smart
You always have a good heart
You make us see the wrong and right
Are we sons and daughters in your sight?

Even though we always make a fuss
But, because of the things you taught us
And a bunch of other stuff
We can’t thank you enough.

You have shown us the right way
They made us who we are today
Because of that, we say
Happy Teachers’ Day!
